SONICHU'S ORIGIN

Our story begins in an open field 5 miles from the city station square, which is under siege by the Perfect Chaos Monster. While Sonic The Hedgehog ponders over the destruction, a wild male Pikachu takes notice of the far-off destruction...

I am Christian Weston Chandler, Sonichu's creator and author of this comic. This is his story and nothing less.

15 miles away...

* Girl Pichu

Oh, my!

You're
as beautiful
as a rose!

As a rose? I need a new
name, since I'm a new poke-
mon. So, you may call me...

Rosechu

15 minutes later...

Well, can't say I didn't
try . Hey, for all we know,
your love could be just
around the corner...

...or right at the
door.

I'll get that!

Hello, how may I

Hey... I'm a wild one
who hasn't eaten much
for over a week.
(Can you help me out?)

My name's
Rosechu, but
you can call
me anytime...

How about I call
you Rosey?

Hey, Kel, we
have a guest!

That's my
nickname!

Boy, I thought I was the
speedy one! Well, I think
she's cute anyway!

One night, a few days later...

SONICHU

I still can't believe this even after what happened...

...earlier, when Kel had to run some errands at Cwcville Mall, and allowed Rosey to borrow her credit card...

Kel entrusted me to make sure Rosey didn't spend over \$100.

At first, it was easy, due to her will-power. But then with all the sales and coupons...

Hmm. \$20. for this lovely bracelet? Wait! 75% off? All right!

....well, I'm not superman!

Thankfully, Kel gave me cash for lunch, but how was I to know that cheeseburguers had pickles?

Ahh... That salad was great! What's wrong, sweetbolt?

I... I... H... Hate... P... P... Pickles!

And then...

His Zapdos snached my love!

Wich brings us up to date.
Please excuse me while I save
my girlfriend!

Enjoy your victory now, hedgehog, but we will meet again! And when we do I will capture you for my father and Team Rocket!
